'The most carefully researched, authoritative book about the royal family ever.'
– *The Sunday Times*

THE *SUNDAY TIMES* NUMBER-ONE BESTSELLER. AS FEATURED IN SEASON 5 OF *THE CROWN*.

When *Diana: Her True Story* was first published in 1992 it changed the way the public viewed the British monarchy. Never before had a senior royal spoken in such a raw, unfiltered way about her marriage, her hopes and fears and her extraordinary life inside the House of Windsor. An icon in life and a legend in death, Diana continues to fascinate and now, more than three decades on, Andrew Morton has revisited the secret tapes he and the late princess made, to reveal startling new insights into her life and mind.

A unique literary classic, *Diana: Her True Story* is the closest we will ever come to her autobiography.

HURRICANE

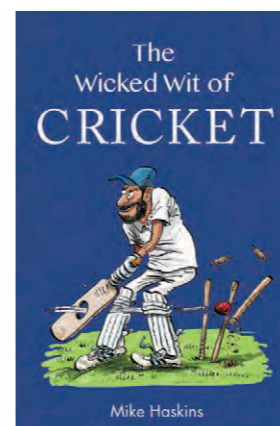

THE PLANE THAT WON THE WAR

JACKY HYAMS

Britain's first-ever wartime fighter plane, the Hawker Hurricane shot down more enemy planes than any other fighter. It was the true aviation hero of the Battle of Britain.

The Hurricane was the warhorse of British aviation history. Often eclipsed by the legend and aerial heroics of the Spitfire, the 'Hurri' was more stable, less expensive to build and far easier to repair and maintain than the 'Spit'. During the Battle of Britain in 1940, the Hurricane outnumbered the Spitfire three to one and was the dominant British fighter plane. It proved to be Britain and her allies' most fearsome fighter plane in aerial combat, becoming a legend of World War II aviation.

CURIOSLY CUTE MANGA

A COLOURING BOOK

ILLUSTRATED BY DESTI, JOLENE YEO AND HARRY THORNTON

Journey through the world of cute and creepy manga art in this striking colouring book.

Lurking inside are over 40 dark yet strangely adorable manga and anime-influenced scenes. Prepare to encounter eerie monsters, broken puppets, enchanted toys, undersea creatures and haunted forests.

Some of the scenes are inspired by eastern mythology and Japanese folklore, such as snow spirit Yuki-onna and mischief-bringing toys. Others originate from western tales, such as selkie 'seal folk' and majestic kelpies. Also included are beautiful yet disturbing images from the artists' own imaginations, such as terrified dumplings running from a bowl of noodles, a girl being carried away by monstrous balloons, and a zombie enjoying the company of her stuffed bunnies.

These gorgeous, intricate manga pieces have been created by a trio of artists.

Sheldon the hermit crab needs a new home, so it's time for him to scour the beach and look for the perfect shell. However, the only thing he can find is *rubbish*! There are plastic bottles and tin cans littered everywhere. It's a good job he has his fellow beach-side animal friends to help, as well as one little girl who is determined to clean up his environment for good.

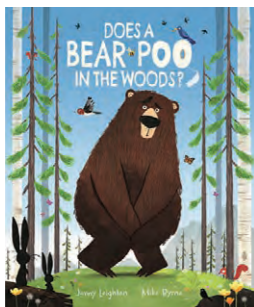

Plastic bottles and other rubbish are huge threats to marine life. *Sheldon's New Shell* is published in partnership with the successful environmental charity, Surfers Against Sewage, which is dedicated to the protection of oceans and beaches.
