A NOTE FROM THE PUBLISHER

© Peter Dink

Dear Friends,

It is always an exciting time for Macmillan Children's Books when the printed stocklist arrives and we see the publishing programme

of the new year in all its glory, variety and richness. It is with great pride, that I share our 2023 publishing with you.

Our big fiction middle-grade debut title of the year is *Greenwild*. Won as part of a hard-fought auction, it is a compelling adventure which takes place in a land of green magic, full of fantastical plants and magic-weaving Botanists. A truly extraordinary novel by debut author, Pari Thomson, *Greenwild* will be illustrated by Elisa Paganelli, whose work is well recognised from our Adventures on Trains series. Do read it!

The YA Market is booming and our YA title of the year is *Promise Boys* by Nick Brooks; a trailblazing, blockbuster mystery for fans of Angie Thomas, Jason Reynolds and Karen McManus. It is a story about three teen boys of colour who must investigate their Principal's murder, to clear their own names. This is our biggest global YA launch and it is not to be missed.

When Marcus Rashford and Carl Anka won the Book of the Year for *You Are a Champion* at the Nibbies, it reminded us of the vital importance of supporting every child on their reading journey and how we were brought together to donate thousands of copies, across the UK. Thank you for working with us on this campaign. We are pleased to announce that we will have new, bestselling books from Marcus this year, including more Breakfast Club Adventures, written with Alex Falase-Koya.

We continue in our endeavours to reach as many children as possible and are donating 75k copies of *The 13-Storey Treehouse* by Andy Griffiths and Terry Denton to children from disadvantaged backgrounds, through the Marcus Rashford Book Club. This fiction series brand is now a multi-million copy global bestseller and in spring 2023 we will publish a fantastic colour edition of the first book, to celebrate its success. We also have a new

InvestiGators title; a series that is increasingly popular with younger readers thanks to its highly-accessible, graphic novel style.

Our poetry list is marking 30 years in 2023 and we are celebrating by publishing the paperback of *The Big Amazing Poetry Book*, illustrated by Chris Riddell as well as *A Nursery Rhyme for Every Night of the Year* by Allie Esiri, a new anthology which will introduce families to the joy of poetry, from the very beginning.

On the picture book-side, we have a variety of riches and it is hard to pull one title out above another, but I would mention the launch of Lenny Henry's *You Can Do ANYTHING, Tyrone!*, which is brilliantly brought to life by Salomey Doku. Pam Ayres will also be joining us with the first of her nature-based picture books, *I am Oliver the Otter*, illustrated by Nicola O'Byrne. We also have exciting new gift titles publishing this year including *My Heart was a Tree*; a stunning collection of new stories and poems by Michael Morpurgo, illustrated by Yuval Zommer, as well as a brand-new official Winnie-the-Pooh story, inspired by one of A.A. Milne's classic poems. *Winnie-the-Pooh and Me* by Jeanne Willis features favourite characters from the Hundred Acre Wood beautifully illustrated by Mark Burgess in the style of E.H. Shephard.

Finally, we can't quite believe that it is 30 years since Julia Donaldson and Axel Scheffler's first picture book, *A Squash and a Squeeze*, was published. Their stories have now been central to children's lives for a generation and we have lots of exciting plans to help everyone celebrate throughout the year. And, at last, we can all officially learn to draw the Gruffalo with Axel's new how-to guide!

As always, a big thank you for the support you give us at MCB and to our authors and illustrators, for recommending and selling our books. We wish you a successful 2023.

Thank you and all the very best to you all,

Belinda Ioni Rasmussen

PROMISE BOYS

Introducing our superlead YA debut for 2023: *Promise Boys* by Nick Brooks. Already generating a huge amount of buzz in the US (the cover was revealed live on Good Morning America!), this is a blockbuster YA mystery about three teen boys of colour who must investigate their principal's murder to clear their own names. For fans of Angie Thomas, Jason Reynolds, and Karen McManus.

The Urban Promise Prep School vows to turn boys into men. As students, J.B., Ramón, and Trey are forced to follow the prestigious "program's" strict rules. Extreme discipline, they've been told, is what it takes to be college bound, to avoid the fates of many men in their neighbourhoods. This, the Principal Moore Method, supposedly saves lives.

But when Moore ends up murdered and the cops come sniffing around, the trio emerges as the case's prime suspects. With all three maintaining their innocence, they must band together to track down the real killer before they are arrested. But is the true culprit hiding among them?
